STATEMENT OF REASONS

The proposed amendment to Art. 8.12 of the Company's Articles of Association concerns:

- in items 1–3 – implementation of Art. 17.1 of the Act on State Property Management of December 16th 2016 into the Company's Articles of Association;
- in items 9–13 – implementation into the Company's Articles of Association of those provisions of the Act on State Property Management of December 16th 2016 which relate to the matters previously regulated by the following resolutions of the Annual General Meeting of June 30th 2017: Resolution No. 34 on the rules to be followed when executing and amending agreements for the provision of legal, marketing, public relations and communication services, and management consultancy services and Resolution No. 35 on the rules to be followed by the Company when executing donation agreements, debt cancellation agreements or other agreements having a similar effect.

The amended Act on State Property Management of December 16th 2016 also clarified certain provisions which previously raised doubts as to their interpretation. Among other things, it was clarified in Art. 17.2.1 of the Act that agreements for legal services, marketing services, public relations and communication services, and management consultancy services require consent from a supervisory body if the total expected fees for providing services under such agreement or under other agreements concluded with the same entity exceed PLN 500,000.00, VAT exclusive, per year. This is intended to prevent attempts to enter into agreements above the said threshold by splitting fees between several agreements with the same entity.

In connection with the planned implementation into the Company's Articles of Association of those provisions of the Act on State Property Management of December 16th 2016 which relate to the

matters previously regulated by Resolution No. 34 and Resolution No. 35 of the Annual General Meeting of June 30th 2017, it is proposed that the said resolutions be repealed by virtue of this resolution.

STATEMENT OF REASONS

The proposed amendment to Art. 10 of the Company's Articles of Association implements into the Company's Articles of Association those provisions of the Act on State Property Management of December 16th 2016 which relate to the matters previously regulated by Resolution No. 36 of the Annual General Meeting of June 30th 2017 on the rules for disposal of non-current assets.

Article 17.4 of the amended Act on State Property Management of December 16th 2016, which concerns rules for disposal of non-current assets, states that such rules must take into account the use of a tender or auction procedure and specify that the threshold value of the non-current asset to be disposed of relates to its market value.
